PROFILE

A highly motivated and career-focused A/L Commerce graduate with academic knowledge in Accounting, Economics, and ICT, complemented by hands-on freelance experience in delivering quality work and meeting client expectations. Passionate about marketing, sales, and business growth, with strong interpersonal, communication, and analytical skills. Confident in learning new systems quickly, building positive customer relationships, and working in fast-paced environments. Seeking an opportunity as a Marketing Officer or Marketing Executive to contribute fresh ideas, deliver measurable results, and continuously develop professionally within a forward-thinking organization.
